

SafeThink™ Coach-the-Coach Course

Pre-requisite: Successful completion of the SafeThink™ training course

The SafeThink™ Coach-the-Coach training program allows your company to deliver the SafeThink™ course when you need it, where you need it!

When your selected employees have completed our Coach-the-Coach course, your company can use your own internal coaches to ensure all staff, new and experienced, receive SafeThink™ training to be more productive in a healthier, safer, workplace.

The SafeThink™ Coach-the-Coach course uses a variety of training techniques to ensure solid results. Group work, guided discussion, and video-recorded sessions are a few of the methods we use to help your people learn.

The easy-to-use Coach's Manual presents step-by-step instructions so that team leaders, supervisors, safety specialists, and human resource personnel can easily register, facilitate, and evaluate **SafeThink™** participants' learning.

HDC will work with your company to identify personnel best suited to be SafeThink™ coaches. HDC's SafeThink™ Consultants can also help you integrate the strategy into daily work routines so that your company gets the most from its investment in SafeThink™.

Effective training is an investment. Let HDC help you manage your investment!
